SAFETY ZONE--CAUTION: Keep all text, pictures and images inside the white SAFETY ZONE area to avoid trimming. Any item inside the yellow area has the possibility of being cut off during production.

TRIM: Outer edge of the yellow is the final cut line (Finished size of your project). Any text, image or background intended to bleed should not end at the yellow trim line.

BLEED: Extend all background color, images and text meant to bleed to the outer edge of the red line.
